60 sq.m | Bathrooms: 1 | Bedrooms: 1 | Rooms: 2

In the heart of the historic centre of Desenzano del Garda, we offer a charming two-room apartment with independent entrance and exclusive courtyard. The flat of about 60 sqm, is arranged on two levels connected by an internal lift and externally by a characteristic stone staircase. On the ground floor we have the living area with living room and open kitchen. A lovely and unique private courtyard offers the possibility of outdoor living many months of the year, in a corner of paradise where the colours of the flowers, privacy and silence provide charm and relaxation. On the upper floor we find a cosy double bedroom opening onto a small balcony overlooking the courtyard. The natural materials - wood, stone, marble and terracotta - make the flat particularly warm and romantic, elegant and precious. The convenience of the historic centre at your fingertips is combined with a magical and unique atmosphere of tranquillity.

Desenzano is the capital of the Lower Garda area, directly overlooking the lake, with beautiful beaches, the old harbour, the landing stage and elegant squares, offering views of extraordinary beauty and picture-postcard scenery. Famous for its restaurants, elegant hotels and entertainment venues. Situated in a central and strategic position with respect to the north of Italy, it is convenient for any travel thanks to the nearby entrances of the A4 motorway and the ring road that connects Brescia to Verona. It also enjoys important public transport services: railway station, several bus lines and ferries for navigation and connection of the entire lake.
