LUXURY & DESIGN TWO-ROOM FLATS
FALKENSTEINER AND MATTEO THUN IN SALÒ'.

A winning combination for an international project on Lake Garda, the result of the brilliant mind of a great architect and the experience and reliability of a renowned European group.

The Falkensteiner Park Resort Lake Garda will be one of the most important tourist and residential complexes in Europe, consisting, in the first phase, of a 5-star hotel and 96 flats of different sizes and characteristics, they will have from one to four rooms and will be built in a green, reserved and quiet setting. The flats are scheduled to be delivered by the end of 2025.

In a splendid location, close to the springs of Fonte Tavina water, in the enchanting town of Salò', characterised by Matteo Thun's architecture and interior design, the flats we offer for sale will be elegantly furnished and ready to live in.

There are many types of property to satisfy any dream, from two-room apartments to penthouses with roof terraces, private gardens, spectacular lake views or park views, private swimming pools or jacuzzis, every request can be met.

All the flats can enjoy the services of the 5-star hotel and the exclusive premium living services dedicated to each owner who requests them, so that they can enjoy their holiday home without worries and concerns. It will also be possible to have an attractive fully managed income for each property.

The flat we are proposing, furnished and cared for in every detail by Matteo Thun's inspiration and refined taste, is a two-roomed flat measuring 46 square metres, with a terrace of over 20 square metres and a 36 square metre garden. A garage is available on request.

Salò, a wonderful town of Roman origin at the foot of Mount San Bartolomeo, directly overlooking Lake Garda. Boasting an extensive cultural and historical background, it was also the seat of the well-known Republic of Salò. The town owes its uniqueness to its refined, evocative and touristy atmosphere. It offers beautiful places of worship and all kinds of services, important museums, a library and a charming historic centre with elegant shops and renowned restaurants and cafés. Part of city life is dedicated to the countless cultural and entertainment events that make Salò particularly lively and interesting, a little corner of paradise.

Coldwell Banker is a real estate network founded in 1906 in San Francisco and has been a benchmark and guide for the global market for over a century.
