In the heart of the village of Gardola, in Tignale, we offer a charming townhouse with breathtaking views of Lake Garda. The location offers a timeless atmosphere, suspended between the tranquility of the mountains and the intensity of the lake landscape.
The property, meticulously renovated in the early 2000s, extends over multiple levels and currently houses six independent apartments. The finishes respect the building's historic character, with exposed stonework, wooden beams, and authentic materials blending with modern comforts.
The property's crowning glory is a splendid 60 m² panoramic terrace overlooking the lake: an enchanting space, ideal for relaxing or socializing in any season.
Completing the property are large common areas, including a spacious kitchen and several multifunctional areas, which could offer the real possibility of creating two or three additional residential units – one or two-bedroom apartments – without compromising the existing structure.
The property's versatility makes it suitable for a variety of uses: perfect for investors interested in generating income through tourist rentals, but also for those wishing to divide and sell the apartments individually, or for families dreaming of a shared retreat in one of Lake Garda's most picturesque locations.
A rare opportunity, in an authentic setting of discreet beauty.

The Location – Nestled between Lake, Sky, and Nature, Tignale is a small mountain town located on the western shore of Lake Garda, at

about 550 meters above sea level. It is known for its authentic atmosphere, mild climate, and breathtaking views that range from the Alpine peaks to the lake's waters.
Gardola, the main village, is home to restaurants, cafes, small shops, and essential services. Hiking trails, cycling routes, and scenic roads leading to the Alto Garda Bresciano Park begin here. Beaches, marinas, and sailing centers are just a few minutes' drive away.
Tignale represents the perfect balance between authenticity and beauty, far from the crowded tourist flows but easily accessible from Sal, Desenzano, Brescia and the airports of Verona and Bergamo.
