€ 2.500.000

Ref. CBI119-1337-578

434 sq.m | Bathrooms: 2 | Bedrooms: 3 | Rooms: 10

In Gargnano, in a panoramic position of rare beauty overlooking the lake and immersed in an exclusive residential area consisting exclusively of villas, we offer for sale a prestigious property built in the 1970s, characterized by authentic charm and extraordinary potential.

The villa, with a floor area of approximately 350 m² and surrounded by a large private garden of approximately 2,000 m², is currently inhabited year-round and is in good general condition.

Every room in the house opens onto breathtaking views: the lake view is expansive and commanding from every point in the garden and from all the rooms, both on the ground floor and upstairs.

In the flattest part of the park, perfect for a relaxation area, it is possible to create a generously sized swimming pool, ideally an infinity pool with an unparalleled lake view.

The current internal layout features the living and sleeping areas on the first floor, while the ground floor houses utility rooms, technical spaces, and accessory rooms.

The property is located in a residential area offering an extremely prestigious setting. The gated and private residence, accessible only by two entrances, guarantees privacy and security.

This villa represents a rare opportunity for those wishing to create an exclusive home on Lake Garda, with a scenic view, great tranquility, and a substantial plot of land.

Located on the western shore of Lake Garda, Gargnano is a charming town nestled in the Alto Garda Bresciano Park, where nature, views, and tranquility blend in perfect harmony. An authentic lakeside village of rare beauty, it offers breathtaking views, privacy, and

discreet elegance, in a high-end residential setting with a mild climate year-round.
