Colombare di Sirmione - Perfectly renovated semi-detached villa with elevator and private garden.

In the residential area of Colombare, at the beginning of the Sirmione peninsula, we offer for sale a beautiful semi-detached villa completely renovated in 2021, ready to move into, with a lift, private garden, large terraces and a separate two-room guest/service apartment.

The spacious property is spread over three floors connected by a lift.

The entrance on the mezzanine floor opens into the bright living area where we find a custom-fitted and well-equipped open-plan kitchen, a dining area with a large table, and a spacious open-plan living room with windows opening onto the beautiful furnished terrace for relaxing al fresco.

Going up the stairs or using the convenient elevator you reach the first floor consisting of a master bedroom with en suite bathroom, another large bedroom with balcony and another bathroom.

The basement, also accessible by elevator, houses a versatile utility solution with a private entrance, two large rooms, a storage room and a bathroom, as well as a convenient and large laundry room.

In the basement we find a double garage and two covered parking spaces.

The property will be sold furnished.

The property enjoys a truly strategic location, nestled in a quiet villa-filled area with all amenities less than a kilometer away. It's just minutes from supermarkets, bars, and restaurants, and offers views of Lake Garda to both the left and right. It's also just steps from the

Scaligero Castle, and just a few minutes' drive from the Desenzano train station and motorway exit. The location, the convenience of the elevator connecting each level of the home, the rational division of space, and the attention paid to the renovation, materials used, and insulation make this purchase an excellent investment for a primary residence or a luxury vacation home.
