NEWLY BUILT TERRACED VILLAS

In Lonato, in the quiet town of Sedena, within a residential area, we offer a terraced house featuring bright rooms, well-distributed spaces, and a high level of living comfort.
The property opens onto the private garden, a pleasant green space that leads to the entrance of the house.
The ground floor features a bright living area with an open-plan living room and kitchen, designed to enhance conviviality and everyday life.
The level is completed by a practical ante-bathroom, a functional laundry room and a convenient garage directly connected to the house.
Going upstairs you reach the sleeping area, designed to ensure privacy and well-being for the whole family.
The spacious and welcoming double bedroom has a private balcony that offers a private outdoor escape.
There are also two single bedrooms, ideal as children's bedrooms, a study, or a guest room; one of them has access to a second balcony.
A generous hallway, which gives space and harmony to the rooms, leads to the bathroom with window that serves the floor.

The property is Class A1, built with high energy efficiency standards: 14 cm thermal insulation, underfloor heating with a heat pump, a 4.5 kW photovoltaic system, and provision for air conditioning. It features a video intercom, alarm system, a security door, highly thermally and acoustically insulated PVC windows with mosquito nets, and motorized shutters. High-quality finishes include wood-effect porcelain stoneware floors, suspended bathroom fixtures, and a private garden.

The location is a significant added value: the villa is strategically located, perfectly connected to Lake Garda's main destinations. The center of Desenzano del Garda can be reached in about 10 minutes, Padenghe sul Garda in just 8 minutes, while the A4 Milan-Venice motorway exit is just 10 minutes away, ensuring quick and easy connections to the main cities of Northern Italy.
